Settlement houses in the United States in 1911

Below is a list of all of the Settlement Houses in the United States and the territory of Hawaii* in 1911. In that year, there were 406 active settlement houses. Use this list to find Settlement Houses in your city or state. This list is from the *Handbook of Settlements* by Robert Archy Woods, Albert J. Kennedy, and Russell Sage Foundation (New York: Charities Publication Committee, 1911). The information was made available courtesy of the Elmer L. Anderson Library at the University of Minnesota.

*Alaska did not become a territory of the United States until 1912.
